Given the defendant's extremely long criminal record (filing no. 14), Judge Zwart would have had to have been nearly "brain dead" if she had released the defendant as suggested.<sup>1</sup> Accordingly,

IT IS ORDERED that the appeal of the order denying review of detention (filing no. 36) is denied.

DATED this 31<sup>st</sup> day of January, 2012.

BY THE COURT:

*Richard G. Kopf*  
Senior United States District Judge

---

<sup>1</sup>Despite counsel's suggestion to the contrary, the defendant was given a detention hearing and then he waived another detention hearing. (Filing no. 14 and filing no. 23.)
